

## **Ron Cummins - Director of Planning and Development**

Ron Cummins is responsible for implementing safety and security training programs for VenuWorks-managed facilities. Cummins brings over thirty years of experience with the Linn County, Iowa Sheriff's Department to VenuWorks.

As a Division Commander, Cummins specialized in the areas of law enforcement, construction management, security and safety, long range planning, and staff training. He also assists in the development of long range strategic plans. His extensive background provides a sound basis for emergency planning and preparedness. Such planning includes emergency procedures in response to weather, hazardous materials, terrorism and criminal activity.
